Brian,

I think this is what you're looking for in unredacted form, although the attached appears to be a later/ more complete version than what you obtained, in that it lists the suspect (Rayvion Edwards) and witness. I haven't gone through our entire production yet but I may have been mistaken in saying it was already produced. My guess is that the search previously run for RMS reports regarding Dalonte would not have picked up narrative text alone if he was not listed as a victim or suspect.

Thanks,

Tim Puin
